Storrington, West Sussex, UK · Seeking remote roles

[LinkedIn / Kieran Salter](#)

PROFILE

Brand and digital designer with professional experience since 2022, spanning agency projects, in-house design and production. I connect visual identities with websites, packaging and campaigns, and take artwork through to practical delivery. Seeking a UK-based remote design role in a collaborative team.

EXPERIENCE

Darkroom Door Ltd

Creative & Operations Director / Lead Graphic Designer

2025–PRESENT · HORSHAM, UK

Lead branding, product and packaging design, website design and digital marketing for a retail and wholesale stamp business.

Prepare artwork for manufacture and connect design decisions with production and product presentation. The new identity and website are awaiting launch.

Vivaldi Group

Design Intern / Freelance Designer

2023–2024 · REMOTE

Designed the Powering Perspectives event mark for Comcast Business within Vivaldi's wider agency project.

Co-designed the Ensolvers rebrand, brand guidelines and Figma website layouts with Inga.

Ran Dacia UK's Instagram account, with content design and editing, from 18 January to 18 September 2024.

Supported Playmobil visual development and assembled a 100-page customer-research document for Wild Bean Café / BP.

Fashion Design Solutions Ltd

Graphic Designer / Operations Assistant

2022–2024 · BRIGHTON, UK

Designed garment graphics and brand artwork, prepared manufacturing files and supported production, fulfilment and product delivery.

SKILLS

Brand & digital

Visual identity, typography, packaging, responsive web design, web development and e-commerce.

Content & production

Campaigns, social content, motion graphics, video editing and manufacturing artwork.

Tools

Illustrator, Photoshop, InDesign, Figma, After Effects, Premiere Pro, Final Cut Pro, Keynote and Miro.

EDUCATION

The College of Richard Collyer

2022–2024

Graphic Design A*
Photography A*
BTEC Business Distinction

Independent work

Created the Webframe House identity and website, and my own live portfolio with connected career and social assets.
